

Halloween Trick or Treating Around the Lake Friday October 31, 2025

We are celebrating twenty-one years of this tradition as a way to provide a safe environment for the approximately 2,000 children who come to the lake yard each year on Halloween. It is also a lot of fun for everyone!

We close Circle Drive at 4:30 pm. The event goes from 5 to 7:00 pm. If you need a vehicle to transport your items, be on the Circle before 4:30 pm. Please, no parking on Circle Drive after 4:30 pm.

We ask that your organization **provides a table and chairs** to set up in front of the house to which you are assigned. Set up away from the house near the side walk that encircles Circle Drive. Please feel free to decorate, wear costumes and place a sign to advertise your business. You will need at least two people at the table but you may have more. You will want chairs for the people and a **battery light** is helpful.

You will need to buy at least 2,000 pieces of candy. We ask that you hand out the pieces one per child. If you want to hand out two or three, buy more candy or you will run out before 7:00 pm!

At the end of the event, we ask that you collect all trash and remove whatever else that you brought with you.

You will get your assigned house a couple of weeks before Halloween. Participating homes will have an orange pumpkin sign with a number on it in front. We will also give you a map to help you locate your spot on Circle Drive.

There are other ways that you can participate in this community event. The Woman's Club is always happy to accept donations of individually wrapped candy or monetary donations.

To participate, please contact one of the Co-Chairs listed below. Thank you for your support and we look forward to seeing you there!
